Where do I find the ENTIRE online Exhibitor Services Manual?

The entire Exhibitor Services Manual is available on www.semiconsingapore.org—you will find an electronic version of the General Information, Rules and Regulations, and Vendor Order Forms/Brochures separated into sections, just as they are in the hard copy manual. **Order your vendor services now and save up to 30%!**

Be sure your company listing is in the Event Directory—Act Now!

Please remember that SEMI will be extracting the information from the online event directory listing for print in the SEMICON Singapore 2008 Event Directory. **The deadline to submit your listing for the printed SEMICON Singapore 2008 Event Directory is 14 March—make sure your information is included.**

Please note: Information updated after midnight on 14 March will be printed in the addendum. Product Category codes entered after 14 March 2008 will only be available online and will not be printed in the addendum.
