April Exhibitor Update

Dear SEMICON Singapore 2008 Exhibitors,

SEMICON Singapore is only four weeks away, please reference the [Timetable of Operations online](#) (Section 1, page 12 of your Exhibitor Services Manual), for important deadline dates and information.

IMPORTANT DEADLINES

EAC (Exhibitor Appointed Contractor) Forms and the Emergency Notification Forms—Due 9 April.

Please submit the [EAC form](#) (Form 13) and the booth design for approval by 9 April. Show Management needs to have on file the EAC that will be setting up or dismantling your booth onsite and their contact information. The [Emergency Notification Form](#) (Form 14) will be used in case we will need to contact your onsite exhibit personnel.

Exhibitor Badge Registration—Closes 14 April. Order your exhibitor badges online and save time from having to do it onsite [click here](#) to register.

Print Event Directory Listing—Final deadline 14 April—

If you haven't already submitted your company listing for the Event Directory, please take the time to do it before 14 April. If you have entered your information, please go online and carefully proof the information you submitted as your company listing and will be extracted for print on 14 April, midnight. If you have questions contact a Show Management representative listed at the end of this message. This is your last opportunity to be included in the printed event directory.

IMPORTANT REMINDERS

Hotel Reservations—SEMI® has appointed official hotels for SEMICON Singapore. We encourage exhibitors to make hotel reservations well in advance. Detailed information is provided in the Exhibitor Services Manual Section 9 (Form 19). Official hotels include:

- a) [Bayview](#) b) [Carlton](#) c) [Pan Pacific](#)

2009 Application and Onsite Booth Assignment Times—Space assignments for SEMICON Singapore 2009 will take place for two days, 5–6 May, in the back of Hall 404, next to the SEMI Theater (booth 1734.) Application packets, appointment dates and times will be emailed shortly. Please complete your 2009 application and return it to SEMI. If you will not be able to make your appointment time, a proxy form is available for your convenience.

Promote your Products and Services at the [Exhibitor Presentation Showcase](#)

Would you like another opportunity besides your booth to present your products and/or services? SEMI is happy to offer our SEMICON Singapore 2008 exhibitors the opportunity to present their technology, new products or solutions in the SEMI Theatre, Level 4. The cost includes a half hour (30 min) presentation time, a microphone, plasma display and signage on the show floor. There are still prime time slots available. For a nominal fee you can capture a whole new audience! Contact Marlene Sibley at msibley@semi.org for more information.

Marketing & Promotional Opportunities—SEMI is can work with you to build brand and product recognition with our customized marketing and promotional opportunities at SEMICON Singapore. Check out the full list of promotional opportunities on at www.semiconsingapore.org. To learn how to get the most out of your MPO dollars, contact Mr. Saw Biing Huei at bsaw@semi.org, Tel: 65.6412.0652 or Mobile: 65.9791.3398.
