

LED Pavilion

The Only LED Manufacturing-Focused Trade Show in Southeast Asia

Asia has recently become the market with the world's fastest-growing LED capacity. Singapore also houses world's leading manufacturer of high-power LED – Philips Lumileds. According to the latest SEMI Opto/LED Watch, the total equipment spending had grown 35.8% to \$2,415 million in 2011. MyLED, a Malaysia-based SSL manufacturer, has just signed Memorandum of Understanding with Amprex, Light-Trend and Osram and invested US\$55 million to expand its plant for LED lighting. This will open up new opportunities for the LED supply chain in Southeast Asia.

Features of LED Pavilion

- LED Gallery
- Innovative Technology Center (Technology presentation)
- LED Forum
- Exclusive Promotion for LED Pavilion

Benefits of Exhibiting at LED Pavilion

- Promote your business to players from across the LED supply chain
- Connect to decision-makers from the LED industry in Southeast Asia
